association between hypertension and cognitive impairment was stronger in old age. Moreover, in the logistic regression analysis, the elevated risk of cognitive impairment was significantly higher in women with hypertension than in men with hypertension. The gender differences in the association between hypertension and cognitive impairment may be attributed to the physiological differences between men and women. A number of studies have reported that in both men and women, arterial stiffness is associated with cognitive impairment \[[@CR4], [@CR13], [@CR17], [@CR20], [@CR24]\]. While vascular impairment in the elderly is attributed to the effects of

cardiovascular risk factors such as high blood pressure, hypercholesterolemia, diabetes mellitus, and smoking, it was found that high blood pressure and hypercholesterolemia are associated with cognitive impairment in women \[[@CR5]--[@CR8], [@CR13

[Read More](#) * Free Monster Boy Monster Boy is a cute action adventure puzzle platformer that follows the adventures of Monster Boy and his friend. The players, who can be played by a single player or cooperatively by two players, must defeat a number of monsters in order to continue the story. The game has dozens of monsters, both friendly and hostile, and the player must make a choice as to which way to go. Along the way, the player must collect keys that will open various doors. Easy-to-use controls and a fun game design Controls are really easy to use. Since the characters are controlled with the arrow keys, the two buttons to

jump and attack are used as shortcuts. The player must be careful not to jump too high, and the doors can be opened if the players jump exactly on the right spot. There is no health bar, as the only danger is falling from a great height. The game is fairly challenging, so players will need to have a sharp eye for the game's tasks. A charming story The player takes on the role of Monster Boy, who is living in a wonderful world filled with flowers and a wide range of colourful, cute and friendly creatures. One day, his best friend was kidnapped by a certain Jack, and Monster Boy decides to go on a search to find his best friend. Upon his arrival, he finds that the trees are not as friendly as they were

before, as the trees have turned into evil monsters, and they are willing to stop the player from finding his friend. In order to survive, the player must collect keys that open various doors along the way. There is a wide range of monsters in the game, and they have their own special features.
